To Whom It May Concern,

My name is Paige Campbell, M.Ed, and I am an English teacher at Basha High School in Chandler, Arizona. It is my absolute pleasure to write a letter of recommendation for my former student, Brady Campbell. I have had the pleasure of being Mr. Campbell's English teacher for the first two years of his high school career. While he came to me as an already bright young man, I have been able to watch him grow into the motivated, empathetic, creative young man that he is today. Mr. Campbell has an outstanding work ethic, and he continues to impress my colleagues and I with his dedication and ability to be successfully.

Brady Campbell is a phenomenal young individual. As someone who has worked and supervised him closely, I have seen numerous cases of his ability and have for quite some time been inspired by his consistency and hardworking attitude. I understand that Mr. Campbell is applying to a program at your college. It is a pleasure to recommend him for confirmation and acceptance.

There have been numerous occasions where Mr. Campbell has shown his skills in my classroom. His aptitude for leadership was shown in various group assignments, where he was able to encourage his group members to participate and complete the assignment to the very best of their abilities. During exams, Mr. Campbell showed meticulous effort, always ensuring to check over his answers and never rush through questions, earning him high marks on his assessments. In addition to academics, Mr. Campbell also portrayed excellent social skills and empathy, always taking the initiative to welcome new students to the class and ensure that they had someone to interact with; he is truly a friend to the world.
